Character Shark

Feeling Scared

Draw how this feeling looks on your face – remember we show emotions in many ways, but our eyes, eyebrows, and mouths are very expressive!

## CAUSE

What do you think happened to make the character feel that way? **He got stuck in a dark cave and couldn't get out**

What is something that makes you feel that way?

**I feel scared when I see a spider**

## REACTION

What happened when someone else realized the character needed help?

**The glowfish used his glow to help the shark get out of the cave**

What do you think might have happened if no one helped the character?

**The shark might not have gotten out of the cave. Or maybe he would have found his way out eventually**
